PRAY PRAY PRAY

The Bible tells us that prayer is not to be mild and meek. Prayer is war call against the enemy. God wants us to stand against the devil. We need pray with authority, prayers that moves the heart of God. The Devil hopes you are weak in your communication with the Lord. God tells us that we have authority over the wicked forces of the world.

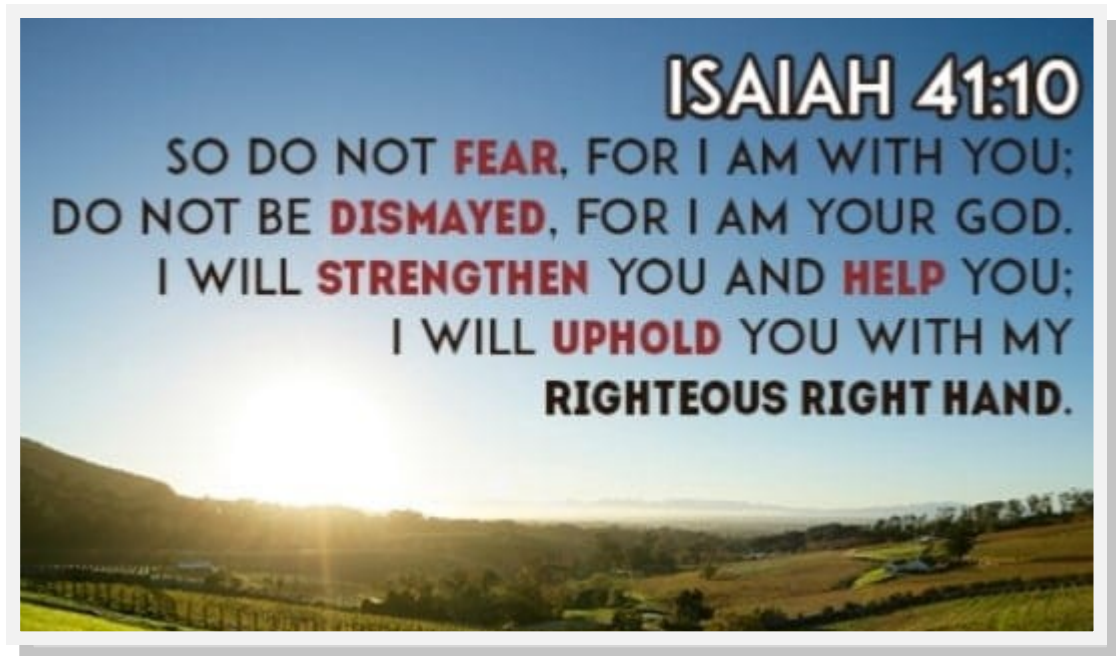

The Lord's prayer is a great example of how God wants us to pray. We first must acknowledge God and thank him for all that he has done for us. Ask God to continue feeding his word so that we grow into his likeness. Keep us from being tempted by ungodly things and protect us from evil. This is the most powerful prayer that the whole world will ever know.

PRAYER FOR HEALING

Dear God

Father we bless your name for these prayer points for healing. We speak a blessing and healing to all who will pray with us, and those who will be prayed for. Holy Spirit, we ask for your guidance for all who use these prayer points. Let it not be about what we have written here, but about who you are. May healing be their portion. We speak health and wholeness to every cell in their body. Healing to malignant cells, inexplicable pain, disease that is yet to be diagnosed, emotional healing, mental healing and spiritual healing. We ask this in Jesus' name.

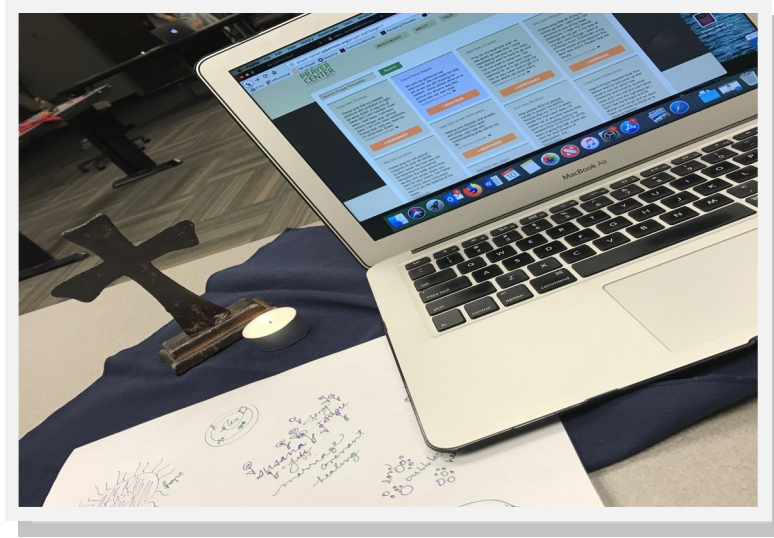

Amen
