Set your goals this New Year

“Think about the many goals Jesus had-
 They drove all that he did.... Our Savior
 Centered everything on a primary purpose
 Set even before time began: to lay down his
 Life on the cross in order to save mankind
 From sin and glorify the father”

- Charles F. Stanley

“The Lord did not promise us blue skies and sunny days. He said there would storms in our lives. We just need to let God be our pilot and allow him to guide us through those rainy days” - Bryon Gould,

Morning Prayer For Children In School

Dear God—We ask that you look over our children when they go school, while they are in school and on their way back home. Keep them safe, protect their minds and their hearts. May they be obedient while they are in school and while they are at home. In Jesus Name Amen.

Therefore I tell you,
whatever you ask for in
prayer,
believe
that you have received it,
and it will be yours.
Mark 11:24

**When the going gets tough
The tough get going!**

**“Word of life speak to my
Weary Heart”**

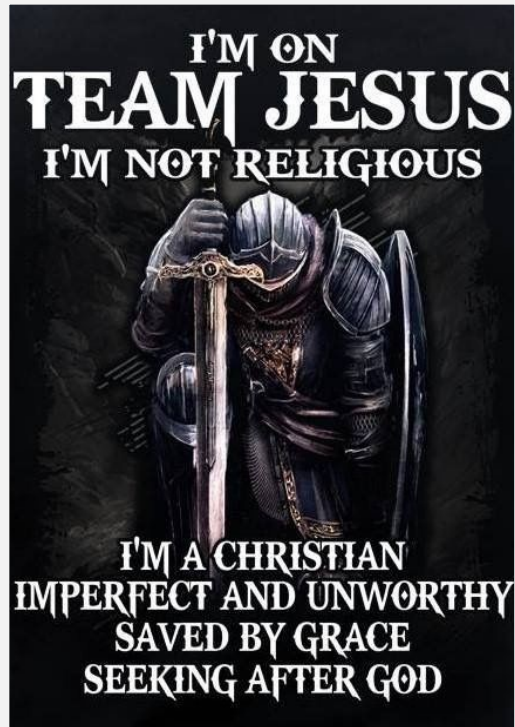

Father rebuild
every good
thing that the
enemy has
destroyed in my
life in Jesus’
name

Life sometimes gets tough. We face many challenges everyday. The world we face today is like a ball of confusion. People moving out, people in. Prices go up and the price of living gets harder everyday. The rich gets richer and the poor gets poorer. But God promised us that those that are last will be first, and those that are first will be last. Our prayers mean so much to God, because that’s our connection to him. Jesus paved the way that we have may access to the Father through prayer. Prayer is more powerful than any communication here on earth. We need to pray for strength in a world that tries it’s best to destroy us.
